With the onset of the virus, we had to change. Fortunately, the Women’s Club is no stranger to change and welcomed the challenge. The best brains of the group came together to determine how best to “stay together while being apart”, and voila, The Friendship Branches were born. Our members enjoy the social opportunities that come from fellowship and a common set of goals. Organized luncheons and meetings, performance events, field trips, and general fun for both the Friendship Tree Branches and the Club Membership overall is planned for 2023-2024.

We will contact you regarding your placement.

For Membership Director Only
